Supplemental Type Certificate

Number ST03188AT

This certificate issued to Aerospace Technologies Group
2009 Corporate Drive
Boynton Beach, FL 33426

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations.

Original Product - Type Certificate Number: A16WE
Make: The Boeing Company
Model: 737-800 Series

Description of Type Design Change: Installation of Passenger Cabin Electrically Powered Window Shades in accordance with Aerospace Technologies Group (ATG) Drawing List DLMS-38-001, Revision B, Dated November 02, 2005, or later FAA approved revision.

Limitations and Conditions: This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated, unless it is determined by the installer that the interrelationship between this change and any other previously approved modifications will produce no adverse effect upon the airworthiness of that airplane. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: April 22, 2005

Date reissued:

Date of issuance: November 04, 2005

Date amended:

By direction of the Administrator
